

schedule the Bonanza the last Saturday in January. Advance work and planning will begin in July or August, and your help with participating in the behind-the-scenes operations will be most welcome. It takes lots of volunteers to fully staff and produce this event and we're so very proud to say for the past 21 years it has been flawless. This annual event is very important to the fire department's mission to continue the path of upgrading equipment and replacing worn or damaged gear. Please plan to help and or attend.

ECCA VFD is a 501 C4 non-profit so your dues and contributions are tax deductible. We have included a self-addressed return envelope for your convenience and we also have a PayPal and Venmo (@ECCA-VFD) available for those that prefer to pay online.

Thank you so very much for the support in years past and going forward.
