Emergency: Dial 911 / Station #: 572-3987

Philip King- President
Margie Hughes- Treasurer

Gary Young- Fire Chief
Janel Young- Medical Officer

Patsy Harvey- Secretary

Open House Saturday April 27th 6870 FM 89

We are so excited for all our friends and neighbors to come and see your Brand-new Fire station and Community Center and hopefully our, (new to us) Fire Engine if it's ready for pick-up. Plan now to come and look around at ECCA's OPEN HOUSE. It's a come and go shindig from 11:00 AM to 3:00 PM Saturday April 27, 2024, at 6870 FM 89.

ECCA Staff Members will be on hand to introduce you to our new facility, show you the trucks that are used on emergency response calls and answer any questions you may have. The new station was built to allow room for the Fire Engine which will help improve ECCA's ability to protect property and keep homeowners insurance rates as low as possible.

Here's a little tip. Save a postage stamp and bring your dues check to the open house and you will be entered into a drawing for a much-coveted ECCA VFD Baseball Cap. After-all it is annual dues time anyway.

With the new Station now online, we will see an increase in our expenses. Now more than ever, we really need your help with keeping our department on a stable financial foundation. The annual dues for the department are \$60.00, and we are most appreciative of the paying members. If you feel compelled to donate a little more, please do so.

Our monthly business meetings are held at 7:00 PM, the third Tuesday of each month at 6870 FM 89, in air-conditioned comfort in the all-new Community Center. You are welcome to come and join in our meetings, meet your neighbors and volunteers that keep our department moving forward.

Just a friendly reminder, the elected officers and members decided years ago to pursue expense reimbursement from property owners in our service area that are unwilling to pay their annual \$60.00 dues. It's just not fair to expect most of our neighbors who faithfully pay their dues to cover the expenses for emergency department operations for those that don't pay. We exist on donations and our operating expenses vary from month to month, so your support with annual dues is critical to our operations.

ECCA VFD is a 501 C4 non-profit so your dues and contributions are tax deductible. We have included a self-addressed return envelope for your convenience, and we also have PayPal and Venmo (@ECCA-VFD) available for those that prefer to pay online.

Thank you so very much for the support in years past and going forward.

ECCA VFD Officers
