GUIDELINES

You must adhere to the following guidelines when using social media related to Port Fairy Football Netball Club or its business, products, competitions, teams, participants, services, events, sponsors, members or reputation.

USE COMMON SENSE

Whenever you are unsure as to whether or not the content you wish to share is appropriate, seek advice from others before doing so or refrain from sharing the content to be on the safe side.

When using social media, the lines between public and private, personal and professional, may be blurred. Remember, you are an ambassador for Port Fairy Football Netball Club.

PROTECTING YOUR PRIVACY

Be smart about protecting yourself and your privacy. When posting content online there is potential for that content to become publicly available through a variety of means, even if it was intended to be shared privately. Therefore, you should refrain from posting any content online that you would not be happy for anyone to see, even if you feel confident that a particular individual would never see it.

Where possible, privacy settings on social media platforms should be set to limit access. You should also be cautious about disclosing your personal details.

HONESTY

Your honesty—or dishonesty—may be quickly noticed in the social media environment. Do not say anything that is dishonest, untrue or misleading. If you are unsure, check the source and the facts before uploading or posting anything. Port Fairy Football Netball Club recommends erring on the side of caution – if in doubt, do not post or upload.

Do not post anonymously, using pseudonyms or false screen names. Be transparent and honest. Use your real name, be clear about who you are and identify any affiliations you have.

If you have a vested interest in something you are discussing, point it out. If you make an endorsement or recommendation about something you are affiliated with, or have a close relationship with, you must disclose that affiliation.

The web is not anonymous. You should assume that all information posted online can be traced back to you. You are accountable for your actions both on and offline, including the information you post via your personal social media accounts.

USE OF DISCLAIMERS

Wherever practical, include a prominent disclaimer stating who you work for or are affiliated with (e.g. member of Port Fairy Football Netball Club) and that anything you publish is your personal opinion and that you are not speaking officially. This is good practice and is encouraged, but don't count on it to avoid trouble -- it may not have legal effect.
