## 2. REPORTS FROM OFFICERS

### President's Report – David Gallant

**TMR – Regional Dispatch** - Codiac will be the next region for TMR and Regional Dispatching. Should be a smooth transition compared to Fredericton. Testing has been done.

**R2MR Course** – Funding from federal government available now for first responders. SEFFA hasn't done any training yet. At the last meeting it was agreed to start with Officers first. 8 hours course. VP's will contact each of their counties prior to next meeting.

**Scene Security** – This has been an issue for a long time. The OFM has found funding to be able to cover the cost of scene security by hiring commissionaires. This is effective April 1. The funding will be issued to the NBAFC and the invoicing will be handled through the NBAFC (Nadine).

The Fire Dept will call the Fire Marshal's office. They will determine if they will come to check the scene. Scene security will be coordinated if needed.

**Mobile Burn Unit** – They have been trying to get funding. Some movement. The NBAFC feels this may happen for us.

**Jim Hayter Memorial Scholarship** – see e-mail attached.

**Cancer Fundraiser Fundy Bay Fire Dept** – see e-mail attached.

**Cell Phone Coverage** – this has been an issue for many areas. Even with cell phone boosters, it is not enough. People on the trails and at camps do not have service.

**Government Relations Week** – This takes place in Ottawa each year with the Ministers. If they supported the initiatives of the NBAFC there was still no guarantee funding would be available because the budgets had already been set. This year they changed the date and it now takes place before the budgets are finalized.

**NBAFC Conference – May 2018** - The NBAFC is asking each Association to ask each fire department within their association if they would be willing to give \$100 to help with the cost of the ladies program for the annual convention in May. E-mail distributed to Chiefs.

**Talking Points of MLA** – Message sent from Dan McCoy of NBAFC. The NBAFC would like us to reach out to our MLA's regarding some topics. There is more info on the NBAFC website. E-mail to be

distributed to Chiefs. Dave suggested that if Chiefs are interested, they group together and meet with their MLA rather than individual meetings.

**Gear Cleaning** - Platoon Chief Bruens had invited Don Sage to conduct a demonstration of the gear cleaning – he will attend our April meeting.

**Carbon Monoxide training** took place December 7, 2017 – this was a really good information session that was put on by the Fire Marshal's office.

**Executive Positions - Election** – will take place at June meeting. President, VP for each county (Westmorland, Kent, Albert), ATC Rep, NBAFPO Rep, Secretary, Treasurer. Looking for people with strong leadership skills to come forward and take on these positions. President and Secretary positions are not re-offering.

### **Vice President, Westmorland County – Gary McCarthy**

- Not in attendance. No update available.

### **Vice President, Kent County – Danny DesRoches**

- Level 1 course has started in Bouctouche. Good attendance so far (20 out of 22 registered). Starting Block 2.

### **Vice President, Albert County – James Lyman**

- Not in attendance. No update available.
- Darryl Weir from Riverside-Albert noted:
  - Few 911 calls received to date.
  - Hazmat course taking place in Hillsborough.
  - Recent retirement function for 2 firefighters went well. They had 90 years of service combined.

### **Financial/Treasurer's Report – Tim Dryden**

Transactions since November 19, 2017 meeting.

Date	Chq #	Amount	Payable to	Purpose
		<b>\$28,351.95</b>		<b>OPENING BALANCE</b>
November 15, 2017		2.25		Service Charge
November 19, 2017		138.00	Dave Gallant	Dave Gallant – hotel expense for NBAFC BOD meeting
December 16, 2017		2.25		Service Charge
		<b>\$28,209.45</b>		<b>CLOSING BALANCE</b>

Invoices for the 2018 Association dues will be sent out shortly.

Motioned to accept by: Kent Steeves  
Seconded by: Ron Cormier

## **COMMITTEE REPORTS**

### **ATC Report – Daniel Dupuis**

#### **Level 1**

A firefighter level 1 has started in Bouctouche; they are currently in block 2. There are 22 students.

#### **Level 2**

A firefighter level 2 is starting in Cap Pele on Monday. There are still a few spots open if any are interested. Dennis Metcalfe will be teaching.

#### **Spring Training**

Our annual spring training will be coming up in June. We will be having a training committee meeting to discuss venue and options. If you have any ideas or suggestions, please pass them along. There have been discussions of a possible auto ex workshop including a motor coach bus. We will discuss this further at the next training committee meeting (to be scheduled).

#### **Officer Training**

We hosted a Fire Officer 1 course in Riverview. The course went well. Special thanks to retired Deputy Chief Don McCabe for co-teaching with me on this course.

Dave reminded the group that it is important that the departments inform Daniel if they are conducting an in-house Level 1 course.

Mike Nicholson spoke about an Atlantic regional competition for auto extrication. Would like to host a competition next year.

Dave suggested coordinating another electric bus session.

### **NBAFPO – Tim Dryden**

- Had a meeting in Fredericton on Feb 17. Most discussions are around the seminar Apr 6-8 in Fredericton. Site location not confirmed but could be the Fredericton Inn. Last year it was at the Best Western but the venue was too small and did not have enough meeting space. Speakers will be Milt Cawley, Brian McBain from Underwriters, Corp. Kevin Pung – lab talk, OFM and DNR.
- Some discussions still going on with former secretary/treasurer. Their balance is now over \$8K.
- Seem to be more organized and positive in the meetings.

- Still lining things up for the seminar.
- Hiring translators this year for the first time. Cost is over \$3,000 for this service for the weekend.
- Really trying to get more participation in the Association.
- Looking for sponsorship for the nutrition breaks (morning and afternoon) for all three days. \$150 from each Association. The Fredericton Inn does not allow outside food to be brought in. All catering to go through them.
- Fire Chief for a day was in Balmoral and was well attended. The only issue the Association had was the OFM sent an invoice to the NBAFPO for the cost of the bunker suit for the student. They used to have sponsors to cover the cost but did not have one this year.

### **OFM – Raymond Leblanc**

**Truck Committee meeting** – received fire truck specs back from Saint John and reviewed their changes (not many). Ready to go for Tender. Peter Kavanagh is putting the final touches on the report and it will be sent out (it is possible it may have already been sent). Rescues went out for Tender in Nov 2017.

### **3. NEW BUSINESS**

A motion was put forward by Tim Dryden to sponsor the NBAFPO for \$150 to cover the nutrition breaks at the NBAFPO conference April 6-8, 2018.

Motion by Tim Dryden  
 Seconded by Charles Agnew  
 MOTION CARRIED

Tim to check and confirm who the cheque is to be payable to.

Tim Dryden asked if he had to put a motion forward to cover his mileage for his attendance at the NBAFPO meetings. President Gallant said no. Just complete an expense form. We use the government rates for meals and mileage.

As a board member for FDIC Atlantic, Robin True presented an overview of FDIC Atlantic's training program scheduled at Acadia University in Wolfville NS for June 1-3, 2018 (see flyer attached). They would like to see attendance increase and would like to distribute the info with as much notice as possible.

President Gallant and Chief Kent Steeves noted that the LSD will not approve or cover the cost of any training outside of NB unless special authorization is obtained. A request with justification must be submitted to the LSD for approval.

#### **4. NEXT MEETING**

The next SEFFA meeting will be on Sunday April 15, 2018 at 10:00 am, Riverview Fire Dept.

The June SEFFA meeting and election will be on Sunday June 10, 2018 at 10:00 am, Riverview Fire Dept.

## Bourse d'études commémorative Jim Hayter

Cette bourse d'études commémorative a été établie en 2017 pour honorer la mémoire de Jim Hayter, membre fondateur de l'Association canadienne des services volontaires d'incendie (ACSVI). Le Chef Hayter a aussi été pompier auprès du service d'incendie d'Alvinston en Ontario, et ce, pendant 44 ans, dont 15 à titre de chef des pompiers. Outre son dévouement aux services d'incendie, le Chef Hayter était aussi très impliqué auprès de la communauté, dont aussi à titre d'adjoint au maire.

Les candidats admissibles sont des membres de l'ACSVI ou leurs enfants à charge qui poursuivent des objectifs d'études supérieures, et qui sont âgés de moins de 25 ans.

Les candidats doivent avoir été acceptés – ou en voie de l'être - dans une université agréée ou un collège reconnu pour poursuivre un cours menant à un diplôme reconnu.

Une bourse d'études par année, au montant de 1 500 \$, sera attribuée à un(e) étudiant(e).

L'octroi de la bourse d'études, outre le rendement scolaire du candidat ou de la candidate, tiendra aussi compte de son engagement dans les milieux scolaires et communautaires.

Hey everyone

As of December 2017 one of our Firefighters, Capt. Dan Bertaux was diagnosed with cancer. From the first appointment to now the news has gotten worse every time we would get an update from his wife Karen (who also is a firefighter with us). The cancer has spread way too far and too fast to give him a chance to beat it. He has done radiation and currently on Chemo to not go down without a fight and cheers to him, fight it all the way. Both Dan and Karen are off work now so Dan can fight this all he can.

We want to launch a fund raiser to help Dan and his wife, we all know that there is coverage from Workplace HS but squeezing it out of the province is time taking and there is still the mighty bill collector at the door.

Attached you will find a picture of a tee- shirt we want to put out there to all firefighters at a price of \$25.00 each and the first run of shirts we get, all proceeds will go to Dan and Karen. If there's enough for a second run, proceeds will go to Charlotte County Cancer

Could you spread this around your department and see if any of the guys or gals would like to purchase a shirt to help us help one of our own. All I need to know at this point is number of people willing to purchase a shirt. I will after that send out another email that I would ask the chief's to reply to with sizes and quantity of each size.

Couple options and if there is enough interest please let me know if you would like a navy blue or Black shirt , both with same art work

Thank you
