## About AAYS Solutions Private Limited

### Your Complete Project Partner: From Concept to Completion

AAYS Solutions Private Limited is your one-stop solution for all interior design and construction needs. With over 20 years of proven expertise, we deliver integrated services that encompass design conceptualization, engineering planning, material sourcing, skilled execution, and flawless finishing - all under one roof. We have successfully delivered a whopping **6+ million sqft** across pan India..

### Our Founding Legacy & Vision

Our founders, **Mr. Ramachandra Gowda** and **Mr. C. Gireesh Kumar**, both qualified engineers with Master's degrees, established AAYS Solutions on a principle: clients deserve a single, trusted partner who handles every aspect of their project with excellence. Their two decades of leadership in interior design and decoration have shaped the company that eliminates complexity and delivers certainty.

### Our Mission: Complete Solutions, Seamless Execution

We are committed to being your comprehensive interior solutions partner, i.e managing every phase of your project from initial concept through final handover. we ensure consistency, accountability, and exceptional results, by integrating design expertise, engineering precision, skilled craftsmanship, and meticulous project management under one organization.
