# WELCOME

Thank you for choosing Backstage Competition. We have been spreading our love of dance for over 10 years. Our main goal has always been to have a fun, fair, organized competition that will make you, your dancers, and their families feel like VIP's!

Our regional competitions encompass a competitive yet friendly atmosphere, offering free media packages, fun give aways, exciting award ceremonies, highly professional judging panel, a caring, friendly and helpful staff, and the and only Mr. Backstage Bill. Every group routine at our regionals has the opportunity to compete for our famed six-foot trophy for the most entertaining routine of the competition.

Our Nationals at Hershey Park offers a chance for families to enjoy the amenities, as well as participate in our Original Color Wars and Ultimate Challenge, Parents Showdown, Directors Name that Tune Game, Ice Cream Social, Master classes and so much more.

We are so happy to have you join us. Our staff will always go above and beyond to ensure all directors, dancers and families have the VIP experience.

# Safety Measures and Guidelines

Backstage Competition wants you and your families to feel safe. We have posted our full safety measures on our website.

Below are some of our guidelines:

Social distancing signage will be posted throughout the event.

Temperature checks will be done on arrival.

Waivers must be completed before event by all who are attending.

Hand sanitizing stations will be in all high traffic areas.

Face covering must be worn by all at all times. Only dancers can take off their masks while performing. There will be a table backstage for dancers to remove their mask before taking the stage and this table will be sanitized after each routine.

We will increase cleaning and sanitizing throughout the event and between studio blocks.

We will attempt to live stream each competition, please understand this all depends on the strength of the internet connection at each venue.

All adjudication awards and pins for each studio will be packed and given to the studio director to distribute. Overall final awards will be announced via live stream after each studio has performed.

Download our FREE Backstage app from Apple or Google store and follow our schedule, this will also allow your family and friends watching virtually to access the live stream.

Everyone's safety is our main priority and although changes need to be made, Backstage is still committed on making our competition the fun and exciting event that you have come to love. Backstage wants everyone to feel like a VIP!
