Safety Measures and Guidelines

Backstage Competition wants you and your families to feel safe. We have posted our full safety measures on our website.

Below are some of our guidelines:

Social distancing signage will be posted throughout the event.

Temperature checks will be done on arrival.

Waivers must be completed before event by all who are attending.

Hand sanitizing stations will be in all high traffic areas.

Face covering must be worn by all at all times. Only dancers can take off their masks while performing. There will be a table backstage for dancers to remove their mask before taking the stage and this table will be sanitized after each routine.

We will increase cleaning and sanitizing throughout the event and between studio blocks.

We will attempt to live stream each competition, please understand this all depends on the strength of the internet connection at each venue.

All adjudication awards and pins for each studio will be packed and given to the studio director to distribute. Overall final awards will be announced via live stream after each studio has performed.
