

Pre-Registration

Pre-Registration opens on **June 14, 2026**. Studio directors must pre-register their studio online. When you begin this process, you must select "Nationals" and enter an estimate of how many routines you will be bringing to Nationals. This is the only information needed at this time.

Studios should submit a deposit on or before **October 15, 2026**.

****Please note that a second Nationals deposit will be due on March 1, 2027, equal to the amount of the first deposit.**

National Entry Fees

Additional Information

****Note: Deposit goes toward your entry fees**

- Nationals sells out quickly! The best way to secure your spot is to send a deposit upon registration. Spots are only confirmed once the deposit is received. This will also give you priority seating and allow you to select your color war color. Email us your choices and we will confirm your registration and color war options via email.
- No extra fee for title
