CAN YOU SURVIVE THE ZOMBIE APOCALYPSE?

A CINEMATIC SURVIVAL REALITY COMPETITION

LOGLINE

16 ordinary people enter an elite survival boot camp. Only those who prove they can survive are thrown into a fully immersive zombie apocalypse where every decision, alliance and betrayal determines who makes it out alive.

THE SHOW

The series combines real survival training with a cinematic zombie experience unlike anything ever seen on television.

Contestants first learn authentic survival skills taught by military instructors and wilderness experts before entering a massive post-apocalyptic world populated by hundreds of zombie performers, evolving missions and constantly changing rules.

As supplies disappear and paranoia grows, players must decide who to trust, who to sacrifice and whether survival is worth betraying the group.
