

To Our Valued Patients and Families,

As a valued member of our Community Home Health Care patient community, we appreciate the trust you place in us and want to inform you about how we are addressing the coronavirus (COVID-19) situation.

We are closely monitoring events in our local community and continuously updating our policies and protocols as a result of new information.

Please know that our office is following all recommended guidance from CDC and state public health authorities, including best practices for hygiene and infection control. We feel confident in our ability to continue seeing patients and providing quality care in the way you have come to expect and deserve.

Our highest priority is to keep all of our patients and staff as safe as possible. We will never waver on this. If you have any questions or concerns please do not hesitate to reach out to us.

Thank you for your continued trust and loyalty as we work together to fight this virus.

Sincerely,

A handwritten signature in blue ink, appearing to read "Raza Khan", with a horizontal line underneath.

Raza Khan
