- **Your squirrels cannot be wet!!**
 - **If you take your squirrels early in the day on Saturday February 17th, please keep them on ice in a cooler. The squirrels MUST BE placed inside a ziplock bag to keep them from soaking up excessive water in their fur. - At weigh in bring your top 5 heaviest squirrels to the table. You will not be able to weigh them at the table, you must pick which 5 you feel are the heaviest. - We WILL have an independent examiner on site at weigh in to check ALL squirrel entries!
- ****NEW THIS YEAR**** Any single squirrel with a weight in excess of 1lb-1.0oz and any pot of squirrels with a cumulative weight in excess of 4lb-10.0oz will be held by our team for a second examination (labeled, bagged and kept on ice) until final weights are calculated.
- We reserve the right to refuse any squirrel/person from entry based on that examination and refuse their participation in any future event.

Final payout amounts will be announced after all team entries are received and registration is closed.
