By Proclamation by the State Commissioner of Public Lands, effective immediately all outdoor burning including campfires and charcoal briquettes are restricted through September 30, 2024. This date may be shortened or extended depending on fire conditions. Please note these restrictions do not apply to pizza ovens, smokers, propane fire pits or propane bar-b-ques. This ban is prompted by multiple wildfires that are actively burning across the state. Your cooperation in keeping Mason County fire safe is appreciated. **SMUDGE POTS ARE NOT APPROVED**

To make a report, file a complaint, or for more information about illegal burning, please call 360-427-9670 x 400.
