Aubrey, Thank you for a wonderful seminar. The men were just buzzing on Sunday. Several wives told me how the men were sharing with them, too. That is when you know you connected. We appreciate your knowledge, time, and sacrifice to be with us. We will keep in touch with you as to how this changes our congregation. We had a meeting Sunday afternoon, and the deacons kept using phrases you used. Excellent. May God bless you and your efforts to grow His kingdom.

Terry Chapman
