

LCJ PROJECT MANAGEMENT

# ONE STOP

We, as Team LCJ has worked hard to welcome a new service to our portfolio for your convenience.

We are proud to announce that we are ready, fully able and certified to assist our clients with safe Asbestos removal and disposal. We can now take off your old asbestos roof and also replace it with a brand new one!

Let LCJ be your one-stop service provider.

## CHOOSING A BUILDING CONTRACTOR FOR YOUR PROJECT

The process of building a home can be daunting, hence the importance of choosing the best fit to assist with the project. Keep the following in mind:

- Reputation and recommendations of the construction company.
- Quality of work. (portfolio)
- Customer service and communication.
- Timeous service delivery.
