## President's Message

Hope everyone is doing well out there. The weather has been great for getting out and driving our baby's around and if you're not, shame on you.

The Show & Shine is upon us and before you know it, it will be in our rear-view mirror. I just want to remind everyone who signed up to do their part. Paul has your name and will be checking up with you to see that you will be there at the S & S. In the mean time we need help passing out fliers at Westend Boyz and Cars and Coffee at Serene and Eastern. Also, several shows were mentioned at the last meeting and Paul will need help passing out fliers so get with Paul and see where he needs help. So far, we have about as many signed up for the S & S as we did last year at this time. I have been getting phone calls from various people about the S & S that want to attend and register online and can't. I told them to show up the day of and we will honor the early bird fee if they call and let us know they are coming and to look for one of us. Also, we still need RAFFLE PRIZES! So, if you have anything you want to regift or contribute from one your favorite venues please donate to the raffle. I want to thank Hartley for getting 2 sponsors and Anthony for his. Great job you two!

Las Ventanas is on 4/25. We need to roll in at 8am. The show starts at 9am and the residents come out and view our baby's and reminisce of everything from their first date or riding along with family in one, of having or riding in cars like ours. One year we had Bill Carpenter's 1916 Royal Mail there and this old-timer came out and had driven one back when he was kid.

There are pictures in the Nut's & Notes archive somewhere of him sitting behind the steering wheel. The taff at Las Ventanas provides breakfast and lunch for everyone so there is no reason for you not to attend. FREE FOOD!!!

We had a hand vote and it looks like everyone wants to keep the Club Picnic going. With that said, we will need volunteers to help with preparations, grilling and logistics where ever we decide to hold it. Personally, I do not want to see it in a park in the valley. The parks are always overrun by locals and we want this to be a fun time without drama. There's plenty of places outside the valley where we can go. If you have any input, please let us know.

See you at Las Ventanas,  
John Pendergast

## Past Activities- St. Patrick's Day Parade

Our car club will be at Las Ventanas, 10401 West Charleston Boulevard, on Saturday, April 25, 2026, for our annual car show at that location. The car club began doing a car show at Las Ventanas, after Grace and Farrow Smith moved to Las Ventanas; and Farrow asked the club to do a car show. Grace and Farrow were dedicated club members, with Farrow assuming many of the official duties of the club for many years.

We plan to be at Las Ventanas at about 8:00 A.M. on the 25th. The residents start coming out to the car show about 9:00 A.M. We will plan to be at Las Ventanas until about 1:00 P.M. or so. Our experience is that residents start going back into Las Ventanas, after an outside lunch at about noon time. Las Ventanas, also, provides a continental breakfast and live entertainment.

It has been a pleasure for our club to be invited to Las Ventanas--they treat us like royalty. The residents are delighted to see the classic vehicles, often vehicles their families had, they had, etc.; and hearing their stories is such a joy. It is, also, a change of pace for the residents, since they spend most of the day, at least half a day, outside, something they would not be doing otherwise. It looks like the weather should be good for this activity.

Again, Las Ventanas is located at 10401 West Charleston. You enter Las Ventanas from West Charleston by turning south onto Indigo Drive. Once you are on Indigo Drive, you will encounter a curve in the road--the entrance to Las Ventanas will be to your right, at the curve. Indigo

Drive is on West Charleston between South Town Center Drive to the east and South Hualapi Way to the west.

Hope to see you there!

All proceeds go to the charity, McPherson College Scholarship. It is associated with the Church of the Brethren and, accordingly, is a nonprofit institution as defined by their 501(C)(3) status. The college started with 60 students and a faculty of five. From its meager beginnings, it has now grown to a sprawling 27-acre campus with over 800 students on the west side of McPherson, Kansas.

Today, one of its academic programs is recognized as the only curriculum of its kind in the nation: a Four-Year Bachelor's Degree in Automotive Restoration. The degree can be tailored for the restoration of early 1900s horseless carriages all the way up through the muscle-car era.

The school's notoriety in automotive restoration has captured the attention of Jay Leno and Peter Heydon, who endowed the Fred Duesenberg Scholarship.
