President's Message

We are off to great start for the year after our Dust-off Breakfast to Chloride. Our next tour will be to the Pioneer Saloon in Good Springs. Jeanie Prouty will be hosting. So, look for details in this newsletter. I can't remember the last time we planned anything to Good Springs, but there is lots to look at and the food is great at the Pioneer. Hope everyone takes advantage of the great weather we have been having and drive their vintage cars. The owner of Welderup has moved all his stuff to Good Springs. I don't know how many of you have ever seen his display that was south of the M Resort, but let me tell you it was a step back in time. With the back drop of Good Springs Steve couldn't have picked a better place to move everything and set up shop.

Show & Shine is in full swing and we already have two registrations in. With that said, we also need sponsors, so please reach out to your local haunt and see about getting a door prize or dinner for two somewhere. We have flyers for you to take with if needed and there is a copy of the flyer in the newsletter. Brian and Donna are handling the raffle prizes and have graciously volunteered to assemble baskets for the raffle. So, please if you have a gift you have received over the years and want to re-gift, get it to them. Some of you get gifts and swag from various businesses around town and along with casino gifts, they make great basket stuffers.

With everything settled out for the year, we have a good solid membership. Just remember, we must continue to build and get new members. If you talk to someone always find out if they are Active Military or a Veteran because they are free for the 1st year. We will be receiving new applications from national with a QR code that will take you to the VMCCA website to apply and pay.

As a local chapter we also include an application where you can sign them up on the spot and get a check or payment instead of sending them away to signup online. I don't know about you, but I like getting any new member to sign up Johnny on the spot. We had a great meeting this week and everyone seems to be on board with our activities for the year. We need everyone to chime in and let us know if you want to continue with the Picnic or have a Poker Run this fall. You can either email me or call. We would like to have your input.

See you at the Pioneer Saloon,
John Pendergast

All proceeds go to the charity, McPherson College Scholarship. It is associated with the Church of the Brethren and, accordingly, is a nonprofit institution as defined by their 501(C)(3) status. The college started with 60 students and a faculty of five. From its meager beginnings, it has now grown to a sprawling 27-acre campus with over 800 students on the west side of McPherson, Kansas.

Today, one of its academic programs is recognized as the only curriculum of its kind in the nation: a Four-Year Bachelor's Degree in Automotive Restoration. The degree can be tailored for the restoration of early 1900s horseless carriages all the way up through the muscle-car era.

The school's notoriety in automotive restoration has captured the attention of Jay Leno and Peter Heydon, who endowed the Fred Duesenberg Scholarship.

Upcoming Event

We will be touring to the Pioneer Saloon in Goodsprings, Nevada, on Saturday, February 21, 2026. We will be leaving at 10:00 A.M. from the Antiques Mall, 9950 Las Vegas Boulevard South. We will meet in the front parking area of this mall's parking lot.

The Pioneer Saloon has a country breakfast planned for Saturday, 02/21/26, with a wide variety of breakfast choices--too many to mention. This breakfast will be available from 9:00 A.M. to noon. In addition to the breakfast the restaurant serves pizza, burgers, hot dogs, fries, salads, snacks, sides, steak and barbeque sandwiches, including the Clark Gable biscuit sandwich, as well as desserts. Look for Joan Saucier's picture on the wall of the restaurant.

Steve Darnell moved to Goodsprings, has built a home there, and is renovating existing buildings, including a gas station. He trailered to Goodsprings a 100 hundred-year-old car. He is part of the Vegas Rat Rods, doing automotive fabrications. He was featured on the Discovery Channel's Vegas Rat Rods. We'll look for him and his stuff in Goodsprings.

Hope to see you on the Goodsprings tour.
