All proceeds go to the charity, McPherson College Scholarship. It is associated with the Church of the Brethren and, accordingly, is a nonprofit institution as defined by their 501(C)(3) status. The college started with 60 students and a faculty of five. From its meager beginnings, it has now grown to a sprawling 27-acre campus with over 800 students on the west side of McPherson, Kansas.

Today, one of its academic programs is recognized as the only curriculum of its kind in the nation: a Four-Year Bachelor's Degree in Automotive Restoration. The degree can be tailored for the restoration of early 1900s horseless carriages all the way up through the muscle-car era.

The school's notoriety in automotive restoration has captured the attention of Jay Leno and Peter Heydon, who endowed the Fred Duesenberg Scholarship.
