Disclaimer - I understand things happen last minute and weddings get canceled all the time due to personal things and illness. If someone gets sick, flight delayed, any personal reason they cannot show, they will not be charged. If someone decides (day of) at the last minute they don't want their makeup done, the bride/attendant is responsible to pay the makeup artist for the inconvenience. Prices & contract is subject to change at anytime due to inflation. Once Bride signs the contract, they're locked into the price per the agreement. Bridesmaids are not. I thank you for understanding my terms of agreement!

Please check all the boxes below:

- I understand that the booking fee is non-refundable
- I understand that the Makeup Artist needs to be paid in full by the time they leave the venue
- I understand that AFTER the trial if I need to cancel the Makeup Artist I will do so within 30 Days of wedding date to receive half back (\$100)
- I understand the Makeup Artist charges a Travel Fee of \$1 per Mile
- I understand that in order for the Makeup Artist to travel there is a 3 person minimum for Makeup for regular pricing
- I understand for MUA to travel under the 3 person limit for makeup there will be an added \$30 charge to the travel fee
  - I understand that prior to the scheduled wedding day, we have established a schedule and if someone backs out last minute for makeup (day of) that person will still be charged the full amount
