

MOTHERS AND DAUGHTERS UNITED IN CHRIST INTERNATIONAL MINISTRIES

Praise the Lord God's Beautiful Queens:

My name is Chief Apostle Dr. Deborah O. Gilmore, Co-Founder of One Body With Many Parts International Ministries. Founder is God.

My journey started by watching my grandmother. At the age of five, we lived across the street from a Baptist church. My grandmother had us in church every day. We were in every program the church had. She was very active in the church, and so were we. She loved the Lord so much. She helped build churches. I wanted to find the true and the only God... the one my grandmother introduced me to when I was a little girl. I became a God-chaser for the true God.

My grandmother loved God. She served Him In Spirit and In Truth. She would take myself, my sister, and brother to camp meetings which were held in great big tents. When she went home to be with the Lord, I wanted to, no I needed to, continue that journey. She was a praying woman. Every morning around 4:00am, we could hear or see her on her knees praying. Her prayers had so much weight to them. God loved my grandmother. He taught her how to love everybody. God showed her how to love, forgive, and pray.

I wanted that kind of relationship with God, my Abba Father. I eventually found God (*or the truth is He found me*) at one of the lowest points in my life. I studied the Bible to find out who God was. I visited different churches, both denominational and non-denominational, as well as different types of churches looking for my Abba Father.

I found God by reading my bible. I got to *know* God by receiving Jesus Christ as my personal Savior... it is a difference. By faith, I recited the Sinners Prayer, which means inviting Jesus Christ into my heart. In John 14:6 [the Holy Bible-NIV], Jesus **Answered, "I Am The Way And The Truth And The Life. No One Comes To The Father Except Through Me."** John 3:16 [the Holy Bible-NIV] states, **For God So Loved The World That He Gave His One And Only Son, That Whosoever Believes In Him Shall Not Perish But Have Eternal Life.** (John 3:16 is one of the most widely quoted verses from the Bible and has often been called the most famous bible verse.) "Wow," I said, "God loves me so much He sacrificed His only child for me."

I realized through reading the Bible and prayers, there was a difference between the titles **God** and **Father**. God means my creator. He became my father because I received Jesus as my personal Savior. My Heavenly Father started filling in the attention I did not get from my earthly father. He showed me a different way to look at my earthly father that enabled me to forgive him.

My life started changing for the better because I was adopted into the family of Christ. I was now Royalty.

I started a wonderful relationship with my Abba Father. He made me feel like daddy's little girl. The apple of His eyes. That is how all little girls want to feel. I wanted more of my Heavenly Father-- who led me now to get to know Jesus Christ my Brother, my Lord and Savior, my Best Friend and my Lion Of Judah.

I learned from the Bible and life experiences how much Jesus loved me. He showed me Agape Love. He showed me how to love myself, love my neighbors, and love my enemies. He showed me how important females, women, ladies, and girls, are to him. Jesus will teach things no one can teach you. He is the great **I Am** which means He is everything you need for Him to be. *Jesus will let you know your worth* because He died on the cross for you. No one took His life. He willingly died for you and me. *He will teach you what loyalty looks like, feel like and sounds like.* He will never leave you or forsake you. Jesus will protect you. He is never too busy for you. Whenever you call Him, He will answer you. *He will never put you on hold.* He will never cheat on you. You can trust him around other females. Jesus will never gossip about you. He will always tell you the truth. He will encourage you. He will be patient with you. His self-control is out of this world. He will let you know when you are right or wrong. He is so gentle and kind. He will never beat on you. *He will never take advantage of you.* He will ask you for permission to come into your heart. A heart He will never break. He can pray for you. *He is sitting on the right-hand side of the Father interceding for you.* . If you put your stock in Jesus, your stock will never go down. It will always go up. It is the best investment you will ever make. Jesus will give you eternal life.

I could go on and on and on **Hallelujah**. What a friend we have in Jesus.

Jesus is my Best Friend. I am a Prisoner for Christ. I love Jesus. He is my Best Friend.

We all have to make a decision about Jesus Christ after reading why I love Jesus so much. If you read this post and do not welcome Him into your heart or keep Him in your heart, it means I did not do my assignment right like my grandmother did for me. I am a prisoner for Jesus Christ, my Lord and Savior. Why? Because He gave up His life for a wretched sinner like me.

The story does not stop there. Jesus loved me so much, He died on the cross. He said He would not leave me as an orphan. He promised to send someone after Him, which is The Holy Spirit. He is my Comforter and Counselor. He is God Himself. God is Holy and He is a Spirit. God is three in one: The Father is the Creator, The Son, Jesus, is the Savior, and The Holy Spirit is the Comforter and Counselor, who dwells in me.

Jesus sent me help to continue to grow fruit, which is the Fruit of the Spirit. Jesus helps me reach God's standard and rewrite a resume perfect for heaven. **Hallelujah**. I trust in Jesus.

Women must support one another. It is a sisterhood ordained by God. The older women must train the younger women. We are one in Christ. We are all different sizes, heights, color and shapes. We are all part of God's puzzle, his perfect puzzle. So, without you, my sister, the puzzle is incomplete. So, help a sister out. It takes a village to raise a daughter.

My name is Deborah Olivia Gilmore and I believe in the Bible from Genesis to Revelation. ***I will not debate it or compromise it.*** Jesus is my Lion of Judah. I love y'all sooo much!
