---

### **River Delta Fire Districts New Website!**

[www.riverdeltafire.com](http://www.riverdeltafire.com)

Easy to navigate menus, clean layout, and frequently updated content will help you find exactly what you need when you need it.

The website contains information about disaster preparedness, services we provide, the organization, staffing, community events, photo galleries, your board of directors, the fire district and volunteer firefighter opportunities and so much more is just a click away!

Our new website is the latest example of our efforts to connect the community to you River Delta Fire District. What visitors to our site see on our website is just the beginning of a total revamp to our web and social media presence that will connect those we serve to services and information they need.

Please check back frequently.

Thank you for giving your River Delta Firefighters the opportunity to serve you.....

- Paul J. Cutino, Fire Chief
