RAMLAT AL FARANA
BUILDING MAINTENANCE

OVERVIEW:

RAMLAT AL FARANA BUILDING MAINTENANCE, a leading contracting and maintenance company and began work. The company was established in 2006 in the United Arab Emirates to start the trip in the field of contracting and maintenance. Initially, the company was based in Al Ain, and began working on minor projects in the field of ceramic and marble installation, then expanded to include paint works . In 2014, the company opened its branch in Dubai to keep contact directly with the assigned work. In 2015, the company's head office moved to Abu Dhabi city, where the company witnessed a remarkable growth and expansion of activities to include: general maintenance work, plumbing installations, plaster works and finally cleaning and sterilization services.

Our Major Partners

TILES WORK

Job Duties and Tasks

- Cut tiles and shape them properly to ensure they fit around obstacles and in tight corners and odd spaces using power and hand tools
- Align and straighten tile using levels, squares and straightedges
- Form tile beds using concrete, plaster, mastic, cement, glue or mortar utilizing tools such as screeds, brushes and trowels
- Finish and dress the joints and wipe excess grout from between tiles
- Cut and fix skirting all around in aligned with tiles
- Align tiles and straighten them with straightedges, levels and squares to ensure patterns are even and precise
- Cut, install, polish and surface granite and marble and ensure accuracy during the installation process for lasting results
- Create decorative wall and floor designs by laying and setting mosaic tiles in kitchens, bathrooms and living rooms
- Tap tiles into place carefully using tools to properly adhere tiles to the base, making sure not to break or damage tiles
- Follow blueprints precisely and mark and measure surfaces that need to be tiled to determine how to go about jobs
- Remove and replace cracked or damaged tile
- Mix and apply mortar or cement to edges and ends of drain tiles to seal halves and joints.
