

PIPO MISSIONS FALL 2019 UPDATE!

Dear Donors and Friends,

Your donations make it possible for us to help the poor and needy in Mexico, Central and South America carry out everyday tasks.

And for this, we thank you!

Our May 2019 Mission Trip was a tremendous success, including a party for Soccer Star Aldo! (See attached photos)

Now, we are rolling up our sleeves as we actively plan our next mission trips in October and November of this year!

The first upcoming trip is to Guatemala, where we will deliver Aldo's secondary leg & continue to serve others in need of prosthetic limbs and orthotic braces. Aldo was severely shocked and nearly lost his life to electrocution while chopping and clearing branches nearby his home. Although his life was spared, Aldo lost his left arm (to the shoulder) and his right leg (below the knee) and will undergo extensive reparatory surgery on his left foot and right hand.

In our second Mission Trip of the Fall, we will head to Mexico to serve those in need of prosthetic limbs and braces also.
