

PIPO Missions

Summer Newsletter 2024

We are happy to let you know that another trip is being planned for later this summer. We will be delivering prosthetic limbs, braces, and orthotic supplies to people. We will be finalizing details on the location and dates soon- check our website for updates!

If you're already a donor, thank you very much for your support. Your donation truly makes an impact on the lives of many people in need. When we are able to provide a prosthetic limb to a working father, or a brace for a young child with special needs/abilities it improves the quality of life not just for the patient but for their whole family. This allows entire communities to prosper! Your aid in our efforts to restore the **positive image** are truly appreciated.
