What is Body Medium?

Body Medium is a gestural painting technique where artist Annika Rhea harnesses the power of movement to create lively abstract works. She refers to her work as “immersive action painting” or “dance painting” and uses her body in motion as a painting tool and the canvas as a stage. The raw canvas created through performance is then presented as one large-scale painting or it is stretched in innovative ways that play with shape and form.

About Annika Rhea

Annika Rhea is an immersive action painter and movement artist based in Brooklyn, NY. She is the creator of **BODY MEDIUM**, a painting technique that utilizes the body in motion as a painting tool. Her work merges visual art, performance art, music, fashion and video art. Rhea is a process-oriented artist and is inspired by the relationship between motion, color, rhythm and emotion. Ms. Rhea's 30+ year background in dance, performance art and painting allows her to create a wide range of work, from painting the embodiment of a concept or emotional state to painting her interpretation of musical score.

Rhea has collaborated with several musicians and videographers worldwide to create the **BODY MEDIUM** painting series and creates custom large-scale abstract paintings and commissions at private events, festivals, galleries, art fairs and charity galas. Her work has been featured in Box Factory Gallery, SCOPE Art Fair, and Haas Contemporary Art Gallery. She was selected as the artist in residence for The Box Factory in NYC in 2020, for Loews Hotel Miami during Art Basel in 2021, and as the artist in residence at PFÖRTNERHAUS to exhibit and perform during Art Basel in Switzerland in 2023.
