# Body Medium Painting Series

Body Medium is a gestural painting practice in which artist Annika Rhea harnesses the intelligence of movement to create dynamic abstract works. She describes her approach as immersive action painting or dance painting, using her body as both instrument and medium, and the canvas as a stage upon which each composition unfolds.

This portfolio brings together works from her more intricate, ground-based action painting series alongside pieces from the In Flight series, where compositions are created through aerial dance while suspended from the ceiling. Across both bodies of work, movement becomes a method of mark-making, translating physical momentum into layered visual language.

Rooted in the principles of flow and presence, each painting captures a moment of embodied awareness in motion. The works hold the residue of lived movement, preserving ephemeral gestures and transforming them into lasting forms that invite the viewer to experience energy, rhythm, and spontaneity in a new dimension.

# About Annika Rhea

Annika Rhea is an immersive action painter and movement artist based in Brooklyn, NY. She is the creator of **BODY MEDIUM**, a painting technique that utilizes the body in motion as a painting tool. Her work merges visual art, performance art, music, fashion and video art. Rhea is a process-oriented artist and is inspired by the environment and the relationship between motion, color, music and emotion. Ms. Rhea's 30+ year background in dance, performance art and painting allows her to create a wide range of work, from painting the embodiment of a concept or emotional state to painting her interpretation of musical score.

Rhea has collaborated with several musicians and videographers worldwide to create the **BODY MEDIUM** painting series and creates custom large-scale abstract paintings and commissions at private events, festivals, galleries, art fairs and charity galas. Her work has been featured in Box Factory Gallery, SCOPE Art Fair, Clio Art Fair, EP Gallery and Haas Contemporary. She was selected as the artist in residence for The Box Factory in NYC in 2020, for Loews Hotel Miami during Art Basel in 2021, and as the artist in residence at PFÖRTNERHAUS and EP Gallery to exhibit and perform during Art Basel in Switzerland in 2023 and 2025.
