

Kinetic Flow

Visual Art Series by
Annika Rhea

The Series

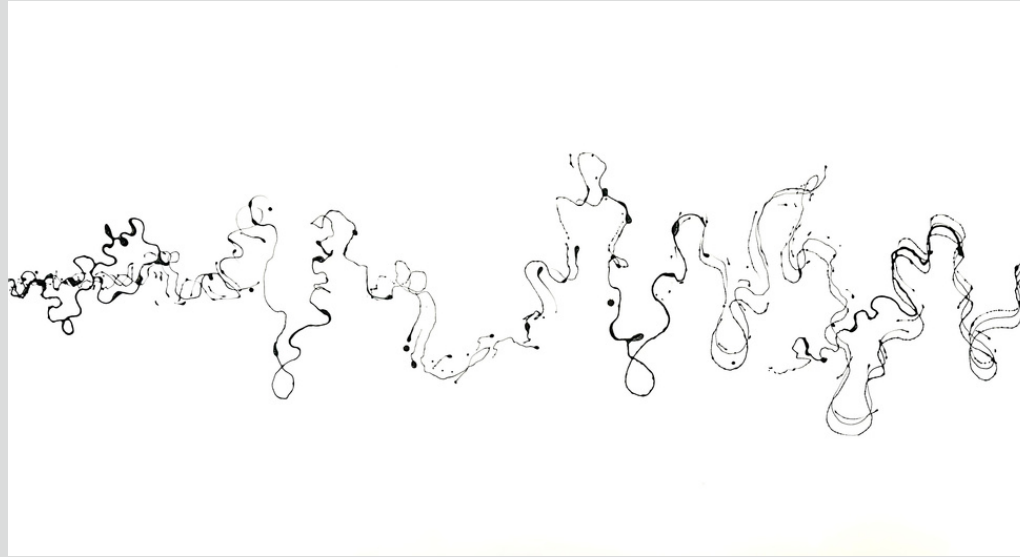

Annika Rhea's minimalist linework series, "Kinetic Flow" uses abstract linework to express the movement of energy through time and space.

The lines dance across the canvas to mimic the energy emitted from thoughts, sounds, movements and other forces that emit energy and vibrations. The painted energetic waves symbolically parallel the peaks, valleys and unique complexity of life's journey.

About The Artist

Annika Rhea is a visual and performance artist based out of Brooklyn, NY. Rhea is a process-oriented artist and is inspired by the relationship between motion, rhythm, color and the flow of energy. She creates movement-based abstract expressionist works as has been featured in Box Factory Gallery, SCOPE Art Fair, and is represented by Haas Gallery in Basel, Switzerland.

Rhea was selected as the artist in residence for The Box Factory in NYC in 2020 and for Loews Hotel Miami during Art Basel of 2021. She was most recently selected as the artist in residence to exhibit and perform at PFÖRTNERHAUS during Art Basel in Switzerland in 2023.
