

Deer Valley Pop Warner

NO REFUNDS - NO GUARANTEES

There are no guarantees that your child will be on a specific team. This season, the team boundaries may be different, and your child may not practice on the same field as last year.

While we will make every effort to accommodate, it is possible that your children will have to practice on different fields.

There will be NO RELOCATING of any players or cheerleaders to different teams or divisions.

A player's age and weight will determine what Division they will play. Your participant must be within the appropriate age/weight range for their division or they must be moved at the first practice to the appropriate division. In the event they fail to meet the weight requirements by certification, they must be moved to the appropriate division or will be dropped from the team, and there will be no refunds.
