

## **South Interlake Garden Club and Town of Stonewall Garden Plots Regulations**

1. Garden Plot fees are due in full before the garden season begins.
2. The garden plot corners are clearly marked by stakes. Please do not remove these stakes during the season.
3. Plant your garden within the marked areas. Walk only on walkways and on your own plot.
4. Each gardener is responsible for the maintenance and upkeep of their garden plot. Watering, weeding, harvesting and any other garden related maintenance are all the responsibility of the gardener.
5. The application of chemical sprays such as herbicides (weed killers) and pesticides is prohibited.
6. Individual fencing of plots is allowed. Please keep structures under 4 feet tall and neat. They must be removed before fall tilling.
7. Be considerate of your neighbours. Do not plant sprawling crops or tall ones where they might interfere with others.
8. If vandalism or theft occurs, notify the Garden Coordinator immediately. Help to discourage losses by questioning unfamiliar faces.
9. At the end of the growing season, gardeners are responsible for clearing their plot of all large plant material such as corn stalks, potato tops, squash/pumpkin vines, etc.
10. If water hoses are available, each person is responsible to coil the hose up after use. If you choose to use the water provided from the cemetery, each person is responsible to turn the water supply in the cemetery off after each use. Both the tap and toggle switch must be turned off.
11. Your compliance with the above regulations will help everyone have an enjoyable and prosperous garden.
12. Failure to comply with the above regulations during the season will result in the loss of future gardening privileges.
13. Previous Garden Plot renters will be given first choice of the plot they rented in the previous year.

If you have any questions, suggestions or concerns, please contact the Garden Coordinator by email at [stonewallcommunitygarden@gmail.com](mailto:stonewallcommunitygarden@gmail.com) on facebook or phone Chad at 204-461-2023

**Happy Gardening!**
