Welcome to Spring 2024!

I am excited to begin another lake season! Your Association is hard at work to make this year's season a great one.

Be sure to check out the Association group web site at <http://AtwoodLakeAssociation.info> for news and events. We now have a text messaging system so you can receive updates about upcoming events and important information. Those that have text messaging, already with your membership, will stay on. If you have any changes or would like to come off, please email Linda at Snide62@yahoo.com. New Members that would like to join text message the form is on our website.

On behalf of the Association membership and Board of Directors, welcome to all our new members. Also, thank you to our loyal members for your continued support.

Let's look at the schedule so far:

- Saturday, May 18th @ 9:00 a.m. - Spring meeting @ Coody Browns.
- **Top is the President is up so we need to vote for a President.**
- Saturday, June 15th @ 7:30 a.m. - Goose Round-up at the Campground. Begin round-up at 8:00 a.m. on the lake! *This is tentative pending permit and weather.*
- "TBD" Fourth of July Flotilla, meet on the West side. The Fourth is on a Thursday. Do we want to have the Flotilla on Saturday or Sunday before or after the 4th? Let's discuss this at the Spring Meeting.
- Saturday, September 14th @ 9:00 a.m. - Fall meeting @ Coody Browns.
- We now have Atwood Lake shirts and other items for sale. You can purchase them at meetings and events. Officers are working on our website so soon you can purchase online.
- Things to think about: What other activities can we can do during summer/fall for Fundraisers or Fun events?

Dues are due! Please send your Association dues, lake weed funds, shoreline application fee and garbage fees to Rhonda Fink. Note: You may also add a twice per month recycling pickup for an additional \$24 a quarter. To do so requires a full year trash and recycling commitment. A form is attached with this letter. *Remember you need to pre-pay garbage pickup.*

Everyone, please assist your Shoreline Reps in letting us know when we get new neighbors. We want to welcome them personally! Reps: East Side - Tyler Knox, West Side - Deb Garman, North Side - Troy Lindley, and South Side - Gloria Combs.
See you all at the Spring Meeting!

Best regards,
