How You Can Help

#1 Our greatest need is donated items that will sell well and raise funds for the lake. Donations of any size are welcome. We accept:

- Household Items and Small Appliances
- Furniture, Décor, and Holiday
- Apparel, Accessories, Jewelry
- Media, Entertainment, Toys, Books
- Tools, Equipment, Outdoor

Item collection begins April 1st–3rd, this will give us time to organize items and price. If you lack storage space for your donations, contact Celinda King at the number above to arrange an early drop-off. Trucks are also available for larger items or anyone who needs assistance.

#2 No items to donate? Consider contributing baked goods for us to sell. We're happy to help wrap treats individually for easy sale, just let us know.

#3 We need long tables and clothing racks for the sale. Please call Linda Snider if you can lend any.

#4 Lastly, please join us and SHOP!
