

Our Officers

Atwood Lake Association holds officer elections every three years. Officers must be property owners on Atwood Lake and must be paid members of the association. There are no term limits. Motions must be made and seconded in accordance with Robert's Rules of Order for each nominee. If there is more than one candidate for an office, a written ballot will be taken, otherwise a simple show of hands for a nomination is all that is required for a majority of paid association members to rule.
