

ATWOOD LAKE HOMEOWNERS
Member Communication Process – Please Read and Return

To better serve our lake members, we offer a text message service to dispense only important information such as weed spray, dates and details of lake activities and lake fundraisers. This system does have a cost per text message, so we are asking for **ONLY ONE** cell phone (that receives text messages) per household.

For you to get the important lake information by text, you **MUST** fill out this form with your consenting signature. Forms can be returned at our spring meeting or mailed with your 2024 Membership Payment.

Printed Name _____ Signature _____

Cell Phone # that will receive the texts _____

Lake Address:
