 2. Gloria Combs – will there be signs posted regarding fishing limits of Walleye removal. Scott stated yes, the DNR will post
 3. Larry Weaver – had concerns that some fishermen may not adhere to the limit. Scott said he would address that concern with the DNR, it is their responsibility to monitor.
 4. Mike Fink – requested we keep the information that we are stocking the lake private, and this may help the concerns mentioned above.

- ii. Robin Moffitt asked what came of us increasing the speed limit a few hours on certain days. Scott stated that this was approved only by the DNR, and that the officers of the Lake Association would not be involved. Robin stated she may begin process of a petition of lake residents to present to the DNR. There was talk from many meeting attendees that we need to keep it a fishing lake only.
