

**Included with this edition of the SLPOA Newsletter are the 2018 ballot for the election of the (1) open Board of Directors position, a pre-addressed envelope to mail your ballot to Appletree Management, the POA 2017-2018 profit and loss statement and balance sheet.**

In May the board appointed David Sibilia to carry out the remainder of a 3 year term. We welcome David and look forward to working with him.

The new generator was installed at the SLPOA office. This will enable the office to serve as an information/resource center during power outages/emergencies. Residents will be able to charge electronics, get warm, obtain drinking water and get important updates.

We have received some feedback from our residents. After consideration and review of our budget the Board of Directors has decided not to charge for dumpster day this year. Charging for future dumpster days will be discussed when planning the annual budget. You still must register with the office so we can order the appropriate number of dumpsters.

Our maintenance department has been very busy getting the pool and community areas ready for the summer season. In addition, they continue the ongoing work of sweeping the roads, cutting weeds along the road ways and canopy, filling pot holes and digging out culverts. Please call the office to report potholes.

We are happy to see more people out and about walking, biking and enjoying the community nature. Please drive carefully and remember to share the roads.

The Board of Directors wishes everyone a safe and enjoyable summer. We look forward to the many events scheduled for this year and hope to see you there.

### **2018 Community Yard Sale**

The weather was hot but otherwise perfect for the Sunrise Yard Sale on May 26. By midmorning, 18 tables of sellers and a steady flow of browsers populated the lawn in front of the office. Security and Walter Tomilowicz, BOD Director and seller, were there to keep things moving smoothly. Parking behind the mailboxes and in the lot near the entrance worked out well. There was a wide variety of offerings for sale, ranging from remains of personal estates, overstocks of store inventories, surplus hobby supplies, and folks just downsizing. Everything was attractively arranged. Participants included full-time and part-time residents, members of other communities, and yard salers from NY and NJ, some of whom attend sales regularly that they find online. It was a great opportunity to meet new people, share interesting conversations, and find unique items.

## Summer Spirit Pool Party

On a day of 90° temperatures, the Summer Spirit Pool Party featured a sparkling pool, live DJs, good food, dancing, contests, and the company of neighbors, family, and friends. Over 100 residents and their guests attended, including many enthusiastic young people. The party was meticulously planned and hosted by the Events Committee. There was a feast of hotdogs and hamburgers grilled to order by Mike DePeri assisted by Carmine Lisante, Jon and Wendy Westock, Tony Nolosco and Patty Johnson. A potluck of salads, fruit and cookies generously donated by residents plus delicious sausage and peppers (prepared in the wee hours of the morning).

Many thanks to all the residents who donated to the “potluck” spread and helped with set up and clean up. Howard Holmquist, with many years’ experience photographing sports events, school events, and “almost everything,” volunteered his services. Photos to appear on our website. A special thanks to Corey James Williamson (aka DJ Cornections), and DJ Josh Lopez (aka DJ ELPOLLOLOCO) for donating their services. They kept the party moving with a stimulating mix of music. Corey has lived in Sunrise since he was 11. Both DJ professionally locally and at clubs and events as far as NYC.

The cannonball contest, overseen by Nicole Hammer and judged by Patty Johnson and Linda Haggerty, was divided into junior, middle, and “mature” age groups. Among the prize winners were Matthew Teller, Dominick Mulligan, Ricardo Cotto, and John Tremper. Mike Haggerty won the 50/50 raffle. If you missed this one, be sure to catch the mid-summer Sunrise pool party on July 14!

## Fishing Derby

A great day for fishing. Children and adults lined the dam for the annual Fishing Derby. Winners of Walmart Gift Cards were Jacob LaGreca, 11 ¼ Inch Bass, (4-7 Age Division), Tarna Batelman, 9 Inch Bluegill (13-17 Age Division) and Sherrod Barrow, 15 ½ Inch Bass (18 & Over Age Division).
