

CURRENT PROJECTS

Currently there are no projects, bids openings, or routine maintenance matters. Please check back often to see updates.

Rancho California Water District will be replacing valves at Tenaja Road and Calle Bandido. I do not have the exact date of this work.

If you would like to be on my email listing to notify you when Tenaja has a special project, please email me at tenajacsd@gmail.com and ask to be placed on the notification package.
