

Thank you, volunteers!

It is your support and dedication which allows us to continue to remember and honor our Vietnam veterans, active-duty military and all veterans each year. As we look forward to next year, we are thankful for your past service and we look forward to your contribution in the coming year so we can continue to honor our missing and fallen heroes, and the heroes which returned home. Please consider dedicating time and effort toward our 37th year, so we can keep our tradition of remembrance and honor alive and well.

Thank you, attendees!

To all who attended the 36th Annual Illinois Vietnam Veterans Memorial Vigil, we were delighted that you joined us in remembering and honoring our Vietnam veterans, active-duty military and all veterans. Your attendance and participation in the Vigil ceremonies throughout the weekend is invaluable and shows a deep love and support for our past and present military heroes. Thank you so much for joining us! Whether you are returning, or if this was your first time joining us, we invite you and encourage you to return next year. If you are able, attending annually going forward is even better so we can continue to re-connect and get to know you better!
