Verbal SMS Opt-In Script (employees)

Used by HR / operations staff when an employee agrees to receive work-related text messages.
The staff member records the employee's name, mobile number, date, time and their own name
in the employee's file after the employee says "Yes".

HR: Hi [Employee Name], I'd like to ask for your permission to send you text messages from
NESCTC Security Agency about your work shifts, such as check-in and check-out links,
confirmations and shift alerts. These messages would be sent to your mobile number,
[repeat phone number]. Message frequency varies, usually up to 4 messages per shift.
Message and data rates may apply. You can opt out at any time by replying STOP, or get
help by replying HELP. You can read our SMS Terms at nesctc dot com slash sms dash terms
and our Privacy Policy at nesctc dot com slash privacy dash policy. Agreeing is not a
condition of your employment. Do you understand, and do you agree to receive these
text messages?

Employee: Yes.

HR: Thank you. You will now receive a text message confirming you are signed up.
