

We The People...

Matter

...We are His people, and the Sheep of His pasture - Psalms 100:36

I hope this finds you in good health and all is going well in your ministry. This is Pastor Dusty Ray from the Heartland Baptist Church. I just wanted to inform you that we will be holding the International Fellowship of Baptist - Pastor's Fellowship at the Heartland Baptist Church in September. We would love for you and your church to come be a part of this group of God's men who are more concerned about getting close to God than they are about ranking on some social plane. Come and bring some of your people and see what God is doing and will do for those of us who are willing to serve Him.
