

Heavenly Father, we come before you with hearts filled with gratitude for the gift of education and the opportunity to grow in knowledge and faith. We recognize that every student is a precious soul created in Your image, and we ask for Your guidance and strength in our efforts to include and support students with disabilities in our educational communities.

We acknowledge that all students, regardless of their abilities or challenges, have unique gifts and talents to bring to our schools. We pray for the wisdom and compassion to see and nurture these gifts in every child, so that they may fully participate in the life of our schools and grow in their relationship with You.

Grant us the patience to listen, the empathy to understand, and the commitment to adapt our methods and environments to meet the individual needs of each student. May we create spaces of inclusion, where students feel welcomed and valued, and where they can learn and thrive alongside their peers.

We ask this through your son, Jesus Christ.  
Amen
