PAARI Recovery Coach

Dear Community Partner,

On behalf of the City of Everett, and Mayor Carlo DeMaria's Roadmap to Recovery Program, we would like to invite you an opportunity to be a partner of our events that will take place on the fourth Thursday of every month. The Roadmap to Recovery Drop-In Nights will take place at the Connolly Center in Everett. This initiative is to aid families and individuals in navigating the accessibility of resources in our community to provide information and possible solutions for Substance Use Disorder. We believe your dedicated partnership to our community and programs have impacted our choice on selecting and inviting your organization in this initiative. If you are interested in taking part in this monthly program, we would expect the commitment of being present with information for families every fourth Thursday of each month for the 2018 year. We would expect your organization to dedicate someone to be present with information every Drop-In night for the following dates:

January 25, 2018

February 22, 2018

March 22, 2018

April 26, 2018

May 24, 2018

June 28, 2018

July 26, 2018

August 23, 2018

September 27, 2018

October 25, 2018

December 27, 2018

We will always provide the facility, and tables needed for each Roadmap to Recovery Drop-In Night. We need you to commit to all of these dates as an organization in order for us to provide the most successful program to the families that are affected by this epidemic in the surrounding communities.
