Woodland Park Jr. Wrestling Club

Sponsorship Information

Our club is a non-profit, therefore, we rely solely on donations and fundraising activities to allow for disadvantaged children to participate in wrestling and to keep our program affordable to all. Some of our core values include the following:

- To foster, promote, and advance participation in the growth and development of Wrestling
- To work cooperatively with local school districts and municipal recreation departments to reach the largest number of children possible, and to provide assistance to economically disadvantaged children to give as many children as possible the opportunity to benefit from our program and training
- To make training programs open to all children who have a desire to learn about Wrestling and a desire to learn something about themselves

Any Donation would be appreciated to assist the program and the youth of Woodland Park. You can also choose to participate in our “Sponsor a Wrestler” program with the package options below, or donate any amount of your choosing. We thank you for your consideration.
