

They had one job but failed!

A daughter wanted to paint her father a picture of Stevie Wonder for his birthday.

But what she made looked more like a crackhead Freddie Mercury.

At least Stevie can't see it!

A 4 year old wanted to look like his favorite Star Wars character, Darth Maul.

So instead of telling his parents, he grabbed some permanent markers and drew all over his face.

He looked more like he'd been mauled.

A woman made a stuffed bee for her daughter based on an online picture.

Unfortunately it ended up looking like a murder hornet instead.

Another woman made a beret for her friend.

But it turned out more like a giant brown helmet.

Maybe they can turn it upside down and use it as a grocery bag.

A dog owner made a hat for her bull terrier but he hated it and went crazy whenever she tried to put it on him.

So she gave it to her other dog, who's happy to wear it.

Too bad it looks absolutely horrible.
