

People having a worse day than you are!

4 cows escaped a ranch and decided to hole up in a newly built house.

It took over a month before a shocked realtor found them in the now disgusting home.

Needless to say, the house is still on the market.

A woman was excited to try her brand new pizza cutter.

However, it was too well made and cut not only the pizza, but the board below!

Or maybe she's just super strong.

This bride wanted to leave her wedding to bubbles instead of rice.

Unfortunately, one of those bubbles got in her eye, resulting in this epic picture.

She'll definitely use rice for her 2nd and 3rd weddings.

This guy got a job as a beekeeper and got stung on the lip!

He found out he's allergic and his upper lip swelled like crazy.

The worst part is that he now looks like Kylie Jenner.

An office worker's stamp decided to explode all over this woman's shirt.

She was stuck wearing it the rest of the day and didn't have a jacket to cover it up.

On the positive, she's now a work of art.
