# In Loving Memory of Judy Rice

Radiate Dance Company's 2026 Recital, Nostalgia, is lovingly dedicated to the memory of Judy Rice.

Judy's impact on the dance world reached far beyond the studio walls. She inspired generations of dancers and teachers through her passion, creativity, kindness, and unwavering belief in the power of dance. She had a unique ability to make ballet exciting, magical, and full of joy, while encouraging every dancer to strive for excellence and never lose their love for movement.

For many of us, Judy was more than a teacher or mentor – she was a light. Her guidance, encouragement, and friendship helped shape not only the dancers we became, but the people we are today.

As we take the stage this year, we dance in her memory and honor the legacy she leaves behind in every plié, every performance, and every heart she touched.

Thank you, Judy, for inspiring us to keep getting back up, to keep dancing, and to keep sharing the joy of dance with the world.

Your influence will live on forever.

As we say goodbye to Miss Liz, we do so with hearts full of gratitude for the many years she has poured into our studio family. From growing up here as a dancer, friend, assistant, and teacher, to returning after her time abroad to once again share her passion with our students, Liz has always been such a special part of our studio story.

Her love for dance and her students has left a lasting impact on so many dancers, and we are incredibly thankful for the time we've had with her back in our classrooms over the last few years.

While we will miss her dearly, we are so excited for Liz, Chris, and their boys as they begin this new adventure in Japan.

Once part of our studio family, always part of our studio family. Wishing Liz and her family endless happiness, unforgettable memories, and all the best in this next chapter.

# Heartfelt Thanks

As we close out another incredible season at Radiate, I want to take a moment to say **THANK YOU** to every dancer, parent, family member, and supporter who continues to pour love into this studio. Your support, trust, encouragement, and loyalty over the past five years have helped shape Radiate into something truly special.

Thank you for believing in this vision and for growing alongside me as I continue learning and evolving as a studio owner. The community we are building here is one rooted in kindness, passion, hard work, and heart — and I am endlessly grateful that each of you is part of it.

**To the Radiate staff** — thank you will never feel like enough. Your love for your students, your commitment to this studio, and the countless hours you pour into what we do do not go unnoticed. I am beyond thankful to work alongside such talented, caring, and passionate people.

**A special thank you to Jessica** — my right hand, the world's best assistant director, and truly one of my greatest blessings. Thank you for standing beside me through every season, every challenge, and every celebration. I love you dearly and cannot imagine doing this without you.

**To my parents** — thank you for being my constant support system, my sounding board, my biggest cheerleaders, and the people I can always count on no matter what. Thank you for the endless behind-the-scenes work, advice, encouragement, and love you pour into both me and this studio. It means more than words could ever express. I love you both so much.

**To Jeremy** — thank you for your unwavering support through every high and low. Thank you for always believing in me, encouraging me when things feel heavy, fixing the endless list of studio projects I somehow keep creating, and fully embracing the constant assault of glitter and rhinestones. The fact that you handle all of it with patience, humor, and love says everything about the kind of person you are. I love you endlessly and am so thankful for all you do for me and for Radiate.

## **Additional thanks to —**

- Mike & Jessica Dauphinee — for the electrical work, costume alterations, rhinestoning, and always stepping in wherever needed.
- Brent & Jessi Lueking — for cleaning, maintenance, rhinestoning costumes, doing what needs to be done, and quite literally saving us during the floods.
- Tony & Karly McLaughlin — for tree trimming, hauling props, supporting dance team events, creating amazing Radiate merch, and rhinestoning costumes.
- Jeremy & Christina Cagle — for plumbing and water pump work, building shelves, hauling props, rhinestoning and helping keep the studio running smoothly behind the scenes.
- Sara Grahek & the Fundraiser Committee — for your dedication and hard work to help ensure dance remains accessible and available to every child who wants to be part of it.
- Gabe & Jessica Hovendon - for always willing to help with whatever is needed and rhinestoning costumes.
- Alumni Volunteers - for always showing up and continuing to cheer the studio on. You are a testament to who we are and what we want to bring to this world.
