## Special Thanks

**To all the Radiate dancers, parents, and supporters** - THANK YOU for your support, love, and loyalty over the past four years. Thank you for your patience as I continue to grow and learn as studio owner. The community we are building here is so special and I am so thankful you are a part of it.

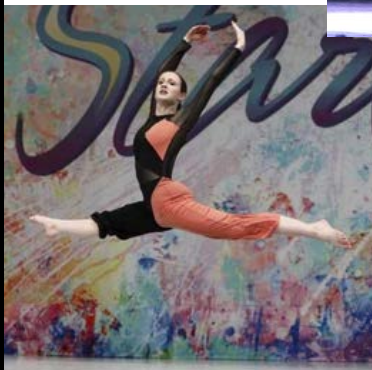

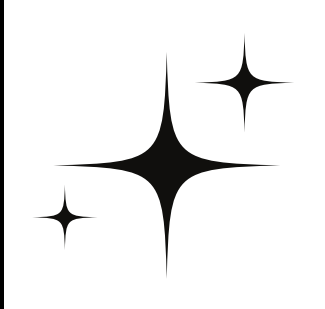

**To all the Radiate Staff** - I would be lost without you all and cannot express my gratitude for the love and dedication you show to your students and to me. A special thank you to Jessica for being my "right hand," the best assistant director, and my best friend. I love each of you dearly and am grateful to have you in my life!

**To my parents**- Thank you for being my biggest supporters, giving the best advice, helping with whatever is needed, and for loving this studio as much as I do. Thank you for the work you do behind the scenes - it does not go unnoticed! I love you more than you could possibly know!

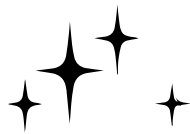

**To Jeremy**- Thank you for your unwavering support. Through the good days and the bad, you continue to stand behind me, push me, and love me. The fact that you don't bat an eye at the studio full of dancers claiming they're my children, have graciously accepted the nickname of "Big Mac," don't complain about all the things I ask you to fix at the studio, and refuse to let me give up means that you are well on your way to becoming the next Dave, which is the highest of compliments. I love you and am so thankful for all you do for me and the studio.

# Abella Mann

May your bright and  
radiant light, your  
boundless joy, and  
your unwavering  
happiness illuminate  
every step of your  
journey.

Love, Mom, Dad, Laila, and Elin

# Cadence PENLEY

# End of an Era

The 2025 dance recital marks an “End of an Era” for the Carter Family!

It started in 2005, when Carmen began her first dance class with Kinner and Co Dance. Carissa, Clair, and Chloe each followed at the age of 3. We are now ending our time with Miss Abby and Radiate Dance Company. Thank you Miss Kathy and Miss Abby!

We want to extend our sincere appreciation to all their dance teachers for what dance has provided to our girls. The joy, passion, and dedication that dance teachers give is such a blessing to us. We loved the road trips to Memphis and Nashville, late night peanut butter and jelly at Graceland, hotel pool time and pizza, and the all over friendships that have come into our lives because of dance.

We all know that dance enhances physical health, improves cognitive skills like focus and memory, while providing social and emotional benefits to our dancers. But, deep down dance also offers discipline, goal setting, character building, and so many other valuable life skills through teamwork and collaboration.

These years have not been without the pain, hard work, tears, injuries, physically demanding conventions, competitions that just did not go as planned, and the “I don’t want to go to dance tonight” and “you are going anyway” nights. Dance, just like any sport, can be emotional and difficult. It is a whirlwind of carpooling, travel arrangements, costume and accessory packing, buying the correct shade of red lipstick, costume malfunctions, pressures of competition, and navigating our child’s wellbeing when awards dampen spirits.

However, what comes from these struggles are triumphs of amazing young women who find themselves as strong, confident, and beautiful souls.

Thank you for being a part of a very thrilling chapter of our lives (“Dance Mom and Dance Dad Era”).

We have so many memories we will cherish forever.  
Lots of love, The Carter’s

# GRACE & JAYLIE
