skin that speaks

Dr. Priyanka Prakash
Dermatologist & Cosmetologist

Important Dos and Don'ts

#Always wear good sunblock with minimum spf 30 according to your skin types.

Avoid direct sunlight for at least a week

#Use a good hydrating moisturizer in the morning and night as there can be mild dryness or flakiness.

#Avoid exfoliation / scrubs for a week

#Avoid Retinol based products for 3 days before and after the peel sitting.

#Donot pull or pick the skin that is shedding.

#Avoid homeremedies / salon procedures for a week

Post peel Journey of Skin

Sincerely
Dr Priyanka Prakash
