

Daycare rules and regulations:

*We accept dogs of all ages. Puppies must be over 10 weeks and on a vaccination program. Puppies or shelter dogs must have been in the home for at least two weeks prior to attending daycare.

*All dogs require up to date vaccinations for rabies, DHLPP, and Bordetella. Proof of vaccination or titer testing is required.

*Dogs that are currently ill or injured are not permitted at daycare. Dogs who have recovered from a communicable illness within the past 30 days must provide veterinary clearance to return to daycare. Owners certify by signing this application that their dog is in good health.

*If your dog incurs veterinary bills during their stay at daycare you, the legal owner of the animal, must pay those bills at time of pickup. K9 Stay N Play Daycare reserves the right to seek veterinary care for your dog at its discretion.

*All dogs must be non-aggressive and not food or toy possessive. Owners certify that by signing this application that their dog has no history of threatening or harming any person or animal.

*Due to restrictions in place by our insurance company, K9 Stay N Play Daycare may not be able to accept certain breeds or types of dogs.

*We reserve the right to refuse any dog for any reason at any time.
