

Centennial Park Figure Skating Club

Board Meeting – Final meeting of the 2025-2026 Season

June 26, 2026

In attendance: Danielle, Heather, Tami, Emily, Marcela, Aspen, Hannah, Kayla, Kristina

End of Year Club Party

- June 27, 2026 – Pool Party, set up starting at 5:30. Party 7-10 PM.
- Backyard party, pool, games, catered dinner.

Membership 2026-2027 season

- The fees are mainly staying the same, minimal changes.
- Cost of ice time is expected to go up in January, no details yet. The county rinks are at different rates; the club does get a discount.
- Danielle asked for an additional 15 minutes of time, the rink staff has not been accommodating.
- Danielle has a meeting scheduled with the rink staff and the Skatefest committee the following week.
- Ice is expected to be down for 6-8 weeks starting April 4, 2027.
- Discussion about Murray shutting down for 2 years in 2028 to add an additional rink.

Open discussion about the Murray club

- We discussed merging clubs, possibly for a trial period, keeping finances separate.
- Parents in the Murray club did step up to volunteer for Board positions. There is a lack of experience. Lengthy discussion about our club mentoring the Murray club. We sent contact information to Taralynn so she can share that with the Murray Board members.
- The Murray syncro team is trying to become a figure skating club.
- The bulk of the Murray club has been Aspire members.

Vote- unanimous yes, offer to mentor the Murray Figure Skating Club Board

Fundraising

- 6 fundraisers are required throughout the season. Funds go to ice time, shows, props.
- We need to define what fundraising and volunteer hours cover.
- Fundraisers we did this year include yard sale, silent auctions at both shows and at Skatefest, club restaurant night, & valentines day goodies.

- If we do a yard sale next year it can be in the parking lot of the medical clinic where Heather works, off 4100 s Redwood Road. We are likely to see more traffic there. We will plan further in advance and advertise.
- Marcela suggested that girls set up a farmers market stand and rotate selling their crafts. Each skater can also set up their own Zeffy store to raise their club fees.

Discussion about choreographers for the shows – pay vs. volunteer hours

- Contracts need to better define expectations, what's included and excluded.
- Coaches can choose to be paid or have hours go towards volunteer time. Exact hours need to be better defined.
- Contracts may need to be sent/resent to coaches for review.
- For the Spring show – details need to be spelled out in the contract including weekly rehearsals, show week rehearsals, show times.

Misc items:

- Volunteer hours are being calculated for each member. Club members will be notified about additional charges if they did not complete the expected volunteer hours.
- Next season we will ask members to enter volunteer hours in entryeeze.
- We are working on dates for the Spring show, coordinating around Spring Break, prior to the rink closure.
