MODULE 1 - Narrative Review + AI Prompt

GCSDI

Purpose: *Strengthen the clarity, logic of assertions in context of the organization's mission, and the persuasiveness of your application narratives by stress-testing their structure, coherence, and alignment with funder expectations.*

Section 1 - Narrative Clarity Prompts

Prompt 1: "Rewrite this narrative section for clarity, removing redundancy and improving idea flow while preserving the proposal's intent: [PASTE TEXT]"

Prompt 2: "Identify any unclear, vague, or unsupported statements in this narrative. Provide a list of recommended revisions with detailed explanations in plain language."

Prompt 3: "Restructure this narrative into a more logical sequence. Provide a revised outline and a rewritten version."

Section 2 - Evidence & Justification Prompts

Prompt 4: "Highlight all claims that require evidence or justification. Suggest specific data types or sources that should be used."

Prompt 5: "Strengthen the justification for this project by identifying missing context, missing data, or weak arguments."

Section 3 - Impact & Outcomes Prompts

Prompt 6: "Rewrite the project outcomes to be measurable, time-bound, and funder-aligned."

Prompt 7: "Identify gaps in the logic model or theory of change implied in this narrative."

Section 4 - Tone, Voice & Professionalism Prompts

Prompt 8: "Rewrite this narrative in a polished, professional tone suitable for a competitive grant application."

Prompt 9: "Identify any language that may appear overly promotional, emotional, or subjective. Suggest neutral alternatives."

Section 5 – Final Narrative Optimization Prompt

Prompt 10: "Provide a final optimized version of the narrative that improves clarity, structure, and persuasiveness while maintaining the applicant's voice."
