## Method

1. Cut out curved rectangle from paper provided.
2. Draw around on desired paper.
3. Cut out curved rectangle from desired colour paper/card.
4. Decorate this however you want.
5. Punch holes along the bottom (long) edge of the card.
6. Pick your hanging decorations.
7. Thread wire/string through them, make sure they're secured at the bottom to prevent them falling off.
8. Thread the wire/string through the hole on the card and fasten.
9. Carry one until all the holes have beads hanging from them.
10. Glue or tape the ends of the card together to form the lampshade shape.
11. Place battery powered candle in wine glass and turn on.
12. Place lampshade on top of wine glass.
